Roul
Row, hang in there!

Hey, you're not getting away!

Hey you!
Don't just stand there.
Give me a hand!

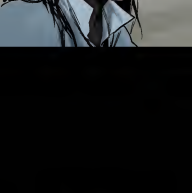

That was...

Isn't he the son of the Roken family?

So, finally...

What are you whispering about?!
Give me a hand!

What...

What the hell is going on?!

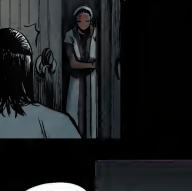

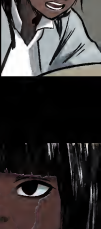

Slater?

What's going on?

Karl

It's urgent!
Can you get some
people here?!

How is he?

As well...

What were you
doing outside?

I was taking a walk
And then suddenly a hooded
woman ran towards me. I don't
know why she did that!

I've been hearing
bandits that go after nobles.
It must've been them.

Ah, you may leave.

Bandits?
No, I don't think she
was one of them.

Your efforts are
in vain. He's going to
die soon.

?!
Row is going to die?

He lost too much blood.
It's too late.

Have you cast any
healing spell on him? Or
at least cast a blessing...

Spell? Why would I even
do that for servants?

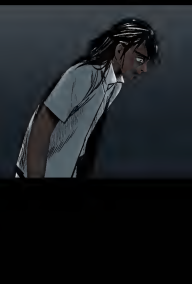

He protected me!

Which was his job.
It's good to know
that he was useful.

I will get you a new servant.

Karl, how did it go?

Sister...

Are you seeing Refiger Roken?

No-no...
I happened to run into him today, so...

It shows when you lie.

W-wait!

Are you... going to tell Father?

I thought you were prepared for that

Karl, Karl! If he finds out, he will kill me!

So please... keep this a secret.

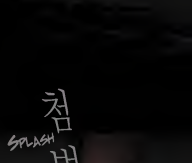

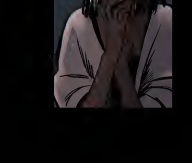

Our people are all over the streets. Some may have seen today's event

Even if I don't tell him, it will only be a matter of time.

You should end the relationship before it gets to that point.

Help...

Help!!!

Help me!!

Row...?

Please...

Master Rathgar!!

!!

Wh-what was that...

A dream...?

Ugh, my head...

I should quit this job.

People in this house are disappearing one after another.

I hear Baken is killing us one by one. Is that true?

Probably. Some say he enjoys killing...

You know servant that got stabbed today? Baken already released him somewhere else.

Oh, that makes sense now. No wonder he didn't let anyone treat him.

Heg

Eh?!

What are you talking about?
